

# Extend a Helping Hand to Those in Need Your Support Makes the Difference

September 22, 2023

Dear Friends,

I hope this letter finds you well and in good spirits. I am writing to you on behalf of Assets Inc. Our mission has always centered around improving the employment opportunities, home environments, and community connections of individuals with developmental disabilities and/or mental illnesses who need substantial supports. We firmly believe that every individual, regardless of challenges they face, deserves the chance to lead a life filled with opportunity and comfort.

At Assets, our journey spans over four decades, during which we've welcomed countless individuals with developmental disabilities and/or mental illnesses. Our commitment extends beyond just providing shelter; we are dedicated to providing these individuals with the tools they need to achieve self-sufficiency and embrace their full potential.

The stories we hear from our clients are a testament to the strength of the human spirit. Imagine, for a moment, the feeling of moving into your own home for the very first time. For many of our clients, this experience is an unattainable dream—a dream that we, with your generous support, can help turn into reality.

**Unfortunately, recent changes to a State grant have left us facing a challenge unlike any before. The funding mechanism that has previously enabled us to provide essential items such as kitchenware, bedding, furniture, and small appliances to our new clients is no longer available.** This obstacle marks a turning point in our history—one that prompts us to turn to our community for assistance, a community that we know shares our passion for fostering stability, comfort, and hope for those who need it most.

**Our goal is to raise \$5,000, which will allow us to provide crucial support to our new clients in their journey toward independence, empowerment and improved living conditions over the coming year.**

Your support matters deeply. Every contribution, regardless of its size, plays a pivotal role in creating change and making a difference. By donating, you are not just providing financial assistance; you are extending a hand of solidarity, empathy, and unity to those who need it most.

# Extend a Helping Hand to Those in Need Your Support Makes the Difference

Please know that your contribution will be utilized exclusively for the needs of our clients. This 100% restricted allocation ensures that your generosity directly translates into tangible assistance.

In closing, I wish to express our sincerest gratitude for taking the time to consider our appeal. We are reminded of the incredible power that lies within a community united by compassion. Your decision to support us not only alleviates the challenges faced by our clients but also reaffirms the values of empathy, kindness, and unity that bind us all.

Should you have any questions, wish to learn more about our initiatives, or are ready to make a donation, please do not hesitate to contact us.

Thank you for your unwavering support, your understanding, and your dedication to creating a lasting impact. Together, we can make a difference that reverberates far beyond the words on this page.

With warm regards,  
Matt
